Subject: Chemical Lime Company - Need new original invoices

Jeff,
I spoke with Richard Becksted of Chemical Lime Company this afternoon regarding their need of new original billing invoices. Apparently the local Grantsville Office only sent the Corporate Office copies of the original billing and has since misplaced or lost the originals. The Corporate office will only pay on receipt of original billings. Can we send new billings ASAP to the following:

Attn: Margaret Flowers
Chemical Lime Company
3724 Hulen St.
P.O. Box 121874
Fort Worth, Texas 76121-1874

M/045/028 - Grantsville Quarry
M/045/024 - Marblehead Mtn. Processing Facility
M/045/038 - Lakeside Mtn. Limestone Quarry

Let me know if I can help you with this. Thanks a lot!
Wayne
